# Returning Elementary Students/Parents

A parent account is required to register your child with FLVS Flex Elementary. This allows parents to stay connected to their child's education at FLVS. Your account will be tied with any of your children who currently take (or have previously taken) FLVS courses. For our elementary homeschool students, the parent is ultimately responsible for their child's education and overseeing and approving the child's program.

If you have a returning FLVS Flex Elementary student, you will need to create a parent account to login to the new system. Before beginning the elementary registration process, you will need to use this account (not your child's) to login.

If you are the parent of a current or former FLVS Flex student who took **elementary OR middle and high courses** with us, you may have an existing parent account that you will need to use to login to the elementary registration system. If you have forgotten the username/password for this account, you can recover it here.
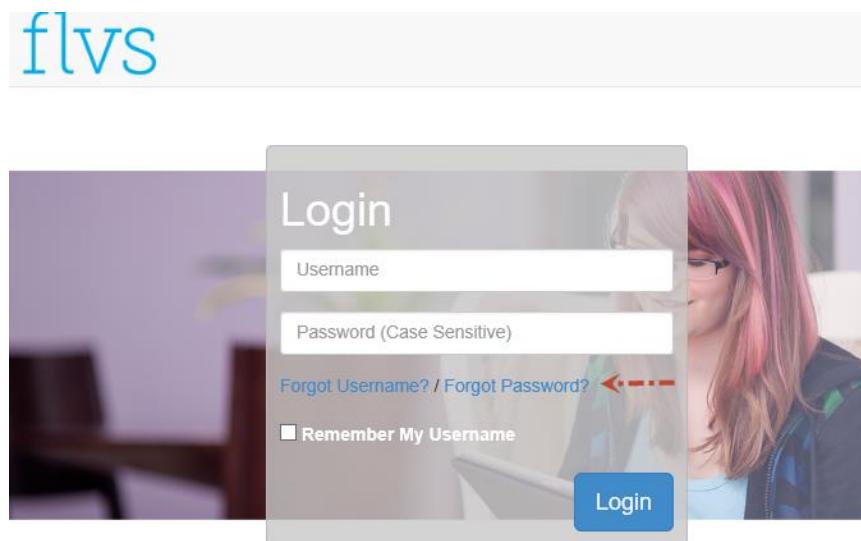

To recover your existing account credentials, click here.

Steps to Create Your Parent Account

Thank you for taking a few minutes to establish your parent account so your future dealings with FLVS will be easily accessible and tied to your child's account.

Please note: If you are a new parent (this is your first child to enroll with FLVS) and do not have a pre-existing parent account, these steps do not apply. Please proceed by registering your elementary student here.

1. Click here to create a parent account in VSA, our Virtual School Administrator system.

2. Click "No" when asked if you have a username/password already.

External Parent/Guardian Account

Do you have a Parent/Guardian username and password already?

○ Yes

○ No

Submit

3. Type in the username and password of your child's existing account.

Monitor your child's progress

Please enter the username and password of a child you wish to monitor

4. Select your name if it appears and click "Submit."

Parent/Guardian Selection

Which Parent/Guardian are you?

○ Isaac Anthony Jones

○ Not Listed

Submit

5. Ensure all required fields are entered and click "Create Account."

Please enter and verify your information below:

First Name	Isaac	Email Address	email·····@yahoo.com
Middle Name	Anthony	Country	United States
Last Name	Jones	Address	··address···na Place Dr
Parent/Guardian Type	Father	City	··· ····
Primary Language	English	State	Florida
Home Phone	phone	Zip Code	······
Work Phone		Cell Phone	
Best Time to Contact	Early Morning		**Create Account**

6. The system will randomly generate your username and password. The password will need to be re-set upon first-time login.
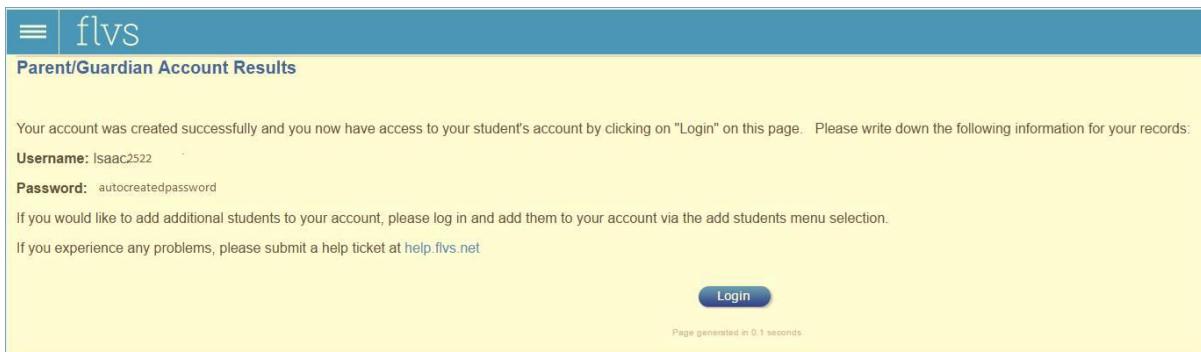

Parent/Guardian Account Results

Your account was created successfully and you now have access to your student's account by clicking on "Login" on this page. Please write down the following information for your records:

Username: Isaac2522

Password: autocreatedpassword

If you would like to add additional students to your account, please log in and add them to your account via the add students menu selection.

If you experience any problems, please submit a help ticket at help.flvs.net

Login

3. Select your child's grade.

What elementary grade will your student be attending?

| K | 1 | 2 | 3 | 4 | 5 |

Kindergarten

In our FLVS Flex Kindergarten option we offer 5 core subjects taught through a blended model. Your student will be enrolled in our Language Arts/Social Studies and Math/Science/technology courses. The foundation of our program are our ClassTime, live lessons taught by your teacher.

4. Review course details.

1st-Grade Overview

Language Arts and Social Studies

This course blends learning environments to optimize the student's experience. Through individualized instruction in an online Language Arts program and participation in virtual class meetings, the student will strengthen skills and reach proficiency in this personalized and collaborative teaching model. By experiencing the inter-relatedness of Language Arts and social studies, students learn to transfer learning across subjects. They explore essential Language Arts and writing skills while learning about their world as they delve into the basics of economics, responsible citizenry, and the similarities and differences between people in our communities.

➕ Curriculum, Scope and Sequence

Math, Science, and Technology
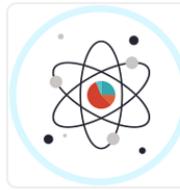

This course blends learning environments to optimize the student's experience. Through individualized instruction in online math and science programs and participation in virtual class meetings, the student will strengthen skills and reach proficiency in this personalized and collaborative teaching model. Integrating math, science, and technology offers the student an opportunity to experience learning as a meaningful whole. Students begin skill work with numbers 0-20, shapes, and measurement, as they explore the world of mathematics through the science curriculum which includes the study of the five senses, properties of matter, gravity, forces of motion, and plants and animals.

Mathematics - Grade One

Science - Grade One

Social Studies Grade 1

7. Sign the parent commitment.

1st-Grade Parent Commitment Statements

In order to help your student be as successful as they can be in the online environment, we have a few statements for you to read over and agree to. We are also interested to know what brought you and your student s to FLVS Elementary. Please select as many boxes as you need to let us know the reasons you are here. Please read over the following statements and please sign and date at the bottom of the page.

Statements

- Media release - FLVS may use pictures, digital images or materials produced by my student without compensation in FLVS productions, publications, or other printed or electronic materials related to FLVS Elementary operations.

- Work requirement - Assignments will be submitted weekly and ClassTime live session are required.

- ENROLLMENT ELIGIBILITY: FLVS can serve elementary students who meet eligibility requirements. For a list of these requirements, please see f.s.1002.455.

- Equipment - Your child needs his/her own working computer and your full attention while learning online.

- Attendance policy - Students are required to attend class time online Tuesdays and Thursdays at the designated time. Children can make up a class by viewing the recorded session. You must notify the teacher if your child is going to be absent from class time.

- Age verification info - Children must meet the age requirements for Kindergarten admission in the State of Florida.

- Parent Obligations - Oversee subject area activities provided for each day of the week in order to deliver a complete curriculum for your child. Oversee your child's progress by ensuring he/she spends the allocated time on task.
