Welcome to the
Florida Virtual School
Full Time
Public Schools
Online Application

By completing this application, you are applying to Florida Virtual School Full Time which is a public school district where students take a course load of **six courses** per semester and are **required** to participate in state testing. Please review our programs below to ensure you are applying to the appropriate program. Review additional information on FLVS programs here.

Before continuing, review the following eligibility requirements carefully to determine if your child is eligible for enrollment:

1. Legal Resident of Florida
2. Students must meet the age requirements as outlined by Florida statutes and Florida Virtual School Full time policy. Students age 19 or older are not eligible.
3. All students with disabilities are required to meet the state and school enrollment guidelines.
4. Students who need to earn less than 25% of their required credits to meet high school graduation requirements are not eligible for a diploma through FLVS Full Time. Cognia accreditation requires "the institution ensure that students graduating from the institution complete at least 25% of the courses for graduation at the institution."
5. Previous year Florida home school students must present their most recent district home school evaluation indicating student is on grade level. Out of state home school students without an evaluation or standardized tests may be required to submit a current student portfolio with evidence of work samples and activity logs.
6. Students must have **daily access** to a computer with a webcam and microphone (Chromebooks and tablets are not recommended), internet service, email, and telephone to maintain contact with teachers, staff, and administration during the hours of 8:30 am to 4:30 pm. Elementary school students also need a printer.
7. Students applying for grades 6-12 are required to meet the recommended academic progress as outlined in our school handbook.

8. In order to earn a diploma through FLVS Full Time, Florida statewide assessment requirements for graduation must be met.

A student's application does not guarantee enrollment to Florida Virtual School Full Time and alternative options may be discussed. Students should not be withdrawn from their current school, nor should their home school status be terminated, until enrollment in Florida Virtual School Full Time is confirmed. Students must remain enrolled in their current school to complete the current semester to receive final grades and credits.

In addition, any subsequent enrollment may be terminated if it is discovered that the application provided contained incomplete, inaccurate or false information, or if any information was withheld.

It is the responsibility of the applicant to ensure completion of the current semester; this includes official final grades for this semester.

Parents must disclose their child's current or any PAST Individual Educational Plan (IEP), Educational Plan (EP), 504 Plan or ELL plan status as applicable when asked in this application.

Please review the Florida Virtual School Full Time Student Profile for Success to be sure that your family understands the commitments and skills necessary to succeed in an online school.

The adult(s) who resides with and is enrolling the child must provide the appropriate documentation to prove they are the biological parents (*birth certificate and if applicable, custody order or separation agreement*) or legal guardians (*court order, adoption papers, foster care placement documents*) so Florida Virtual School Full time can determine who is legally responsible for the child and has the authority to make educational decisions on behalf of the child. Florida Virtual School Full Time is only able to accept court ordered documents as proof of custody. We are unable to accept notarized documents such as power of attorney.

In the case of divorce or legal separation please include a copy of the most recent official custody order, parenting plan or agreement. **If any changes or modifications occur, it is the responsibility of the enrolling parent to inform the school of changes that occur while the child is enrolled, and to provide the school with a copy of the amended custody order, parenting plan or agreement.** The school will rely on the current custody order or agreement on file to release records to honor any requests from non-custodial parents who retain their rights to student records under the Family Education Rights and Privacy Act (FERPA).

Please select below how the custody of your child is determined.

Parent Guardian Information

Florida Virtual School Full time utilizes the assistance of an adult to perform tasks such as monitoring progress and communicating with teachers. These tasks are generally performed by one or more of the caretakers (parent/legal guardians) in the household through their use of the tools provided in FOCUS. You may choose to designate another adult to perform these functions in place of or in addition to the primary parent/guardian by **contacting the Enrollment Department**. If you did not include this person's information on page 5 as a contact, please add their name below and submit this Caretaker Form.

Students experience the most success when they have a Learning Coach at home pacing and guiding them throughout the school year. Learning Coaches are expected to work with their student/child for 10-15 hours per week outside of live lessons. Times may vary depending on the grade and the child's academic level.

We would like to know a little more about the individual who will be most likely to perform these responsibilities for this child. The person identified below should be the person who will serve as the singular point of contact for the school.

Please indicate if the parent/guardian will be the point of contact or if you would like to add someone else.*	N/A
Does the Parent/Guardian/Learning Coach have any obligations that would prevent them from being with a student on a regular basis?*	N/A

Florida Virtual SCHOOL
FULL TIME PUBLIC SCHOOLS

Course Selection

In this part of the application you will complete your course selection. Course selection allows our School Counselors to place your child into courses. Prior to placement into courses and approval for enrollment, a School Counselor will review your child's academic documentation to ensure appropriate fit for our program.

You will be provided with core course options, as well as the opportunity to select your elective options. Course placement is determined by our pupil progression plan. School Counselors will review your child's prior academic history, in conjunction with our pupil progression plan to make adjustments as needed so that your child's schedule reflects the required **6 courses per semester** and is aligned with middle school promotion or high school graduation requirements. You will have the opportunity to select your elective option(s). Due to class size, you may not receive your first elective choice, so please be sure to provide additional options for elective placement.

Florida Virtual School Full Time offers a variety of course levels to meet each student's unique needs:

Standard: These courses provide a standard high school or middle school curriculum and prepare students for high school or post-high school learning, such as college or vocational school.

Honors (High School) or Advanced (Middle School): For students who work at an accelerated pace and desire a more academically challenging experience. Course content encompasses our standard-level curriculum with added extensions and engaging lessons that require students to do more independent study. It is strongly recommended that students selecting high school honors courses have an FSA/FST Reading and/or FST Math/Algebra 1 EOC score of level 4 or above.

Advanced Placement (AP) (High School): AP courses are rigorous, college-level courses taken by advanced high school students. These courses have prerequisites and are taken almost exclusively by 11th and 12th grade students. Click here to learn more.

High School students selecting Advanced Placement (AP) courses must complete this AP application and commitment form to be considered for placement. AP Application

Cambridge AICE Program (High School): The Cambridge Advanced International Certificate of Education (AICE) program is a rigorous, college-preparatory curriculum that is available to students incoming 9th and 10th graders as well as transfer students from an existing Cambridge AICE program. This program offers a broad range of academic courses that are designed to challenge and engage students at a high level. The AICE program is recognized by universities and colleges worldwide, and successful completion of the program can earn students' college credit as well as the Bright Futures Scholarship.

Are you interested in learning more about our Cambridge AICE program? Click here to learn more.

I have reviewed the Cambridge AICE program information; my child meets the application criteria and would be interested in applying for the program. AICE Application

Dual Enrollment (High School): Florida Virtual School Full Time has partnered with Polk State College, Daytona State and the University of Florida to provide our full-time public high school students with an opportunity to take college courses and earn college credit, which will apply towards Florida graduation requirements. Please note: Students are not eligible for dual enrollment during their first semester with Florida Virtual High School due to registration deadlines with Polk State College, Daytona State College and the University of Florida.

I verify the following in regards to my child:

A resident of the State of Florida*	☐
I hereby assign to Florida Virtual School Full Time District all right, title and interest in and to all the material submitted by my child to Florida Virtual School Full Time in conjunction with any course(s) taken with Florida Virtual School Full Time. All personally identifying information provided to Florida Virtual School Full Time will be maintained in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA) and other applicable privacy laws.*	☐
I understand selling course material to another person, student, entity, and/or uploading to a third-party vendor without the express written permission of Florida Virtual School Full Time is prohibited. Course materials include, but are not limited to, class notes, instructor's power points, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, and handouts.*	☐

By submitting this application, ☐
I understand that Florida
Virtual School Full Time
students must submit 100% of
their own work and that
students commit to Academic
Integrity. By submitting this
application, I also agree to my
child taking a proctored exam
at any time if requested and
complying with all of the
policies and procedures of
Florida Virtual School Full
Time. Failure to comply with
the Academic Integrity
commitment or taking a
proctored exam will be
grounds for removal from the
program.*

The above information is ☐
correct and complete to the
best of my knowledge. In the
event of a change of name,
address or phone, I will notify
the school office within ten
(10) days. I understand that
children whose parents are
found, after appropriate
investigation, to have
submitted fraudulent
information in an effort to
enroll their child in Florida
Virtual School Full Time, will
be withdrawn immediately and
no credit will be awarded for
courses 'in progress'.*

I understand that my child, as a ☐
state-funded student, enrolled
in a public school in Florida is
required to participate in all
state testing and progress
monitoring requirements for
their grade level. I understand
testing requirements are set
forth by the state of Florida
and are not controlled by
Florida Virtual School Full
Time. I understand that Florida
Virtual School Full Time will
work with the local school
district to identify the date,
time and location for testing
and I am required transport
my child according to these
details to ensure
participation.*

|	
I understand that any travel during the testing window or for more than 3 weeks at anytime during the school year, must have prior administrative approval.*	☐
I understand that my child will be required to be enrolled in 6 courses per semester.*	☐
I understand that remaining enrolled with FLVS Full Time is contingent upon remaining in compliance with the above statements and requirements.*	☐
