1. OVERVIEW

1.1. Purpose - Florida Virtual School (“FLVS”) is seeking responses from qualified proposers to provide support for digital course delivery to a variety of Learning Management Systems. This solicitation is comprised of three distinct lots, or categories of services, including Course Migration Services, Course Deployment Services and Course Support Services.

1.2. About FLVS - As an online Kindergarten-12th grade solutions provider, Florida Virtual School is committed to providing valuable resources for every school district and school across the nation. FLVS offers a variety of educational products and services to B2B and B2C audiences, including: K-12 Online Schools, Teacher Training and Professional Development, Digital Curriculum (190+ Courses), Tech Solutions and Platforms. Additional information about FLVS can be found on <https://www.flexpointeducation.com/> (National Services) and www.flvs.net (Florida Services). FlexPoint Education Cloud is a trademark of Florida Virtual School under which our digital courseware is marketed outside of the State of Florida.

1.3. Contract Scope, Structure, Terms, and Pricing

1.3.1. **Contract Services, Structure, Term, Sequence and Pricing:** FLVS shall enter into a “single contract” with a “single prime Proposer”, or multiple proposers as deemed to be in FLVS’s best interest for all services as described under this RFP. It is the responsibility of the Proposer to partner as necessary and assemble the team, skills, assets and other qualifications to meet all requirements in the RFP. The selected Proposer shall assume all contractual responsibilities, obligations and comply with all contract terms and conditions.

1.3.2. **Scope of Work:** The scope of work under this contract is in Section 5 of this RFP.

1.3.3 **Contract Structure:** FLVS shall contract the services described herein under a single contract. The single contract, however, shall be packaged into one Master Service Agreement (“MSA”) with an associated Scope of Work (SOW). A separate SOW shall be issued for all services to be provided. A brief summary of the expected contract scope under each of these agreements is shown below.

1.3.4 **Contract Term:** The term shall be for three (3) years with three (3) optional one-year renewals as directed by FLVS.

1.3.5 **Contract Pricing:** The MSA and SOW(s) shall be based upon the final negotiated prices. Contractors shall provide pricing as required on the proposal price sheet. Alternate price structures may be submitted in addition to the pricing requested. FLVS reserves the right to reject proposals that do not comply with the information requested on the proposal price sheet.

2. EVALUATION OF RESPONSES

Every response shall be reviewed/evaluated in terms of its conformance to the RFP specifications. FLVS shall generally follow the process outlined below. In doing so, FLVS at its will, reserves, at a minimum, the following rights:

- a. All responses properly completed and submitted shall be accepted by FLVS. However, FLVS reserves the right to reject any or all responses, reject any response that does not meet all mandatory requirements, or cancel this RFP according to its best interest.
- b. FLVS also reserves the right to waive minor irregularities in responses if that action is in the best interest of FLVS. If the Proposer is awarded the contract, such a waiver shall in no way modify the requirements stated in this RFP or excuse the Proposer from full compliance with the specifications stated in this RFP or resulting contract.
- c. FLVS reserves the right, before awarding the contract, to require Proposer to submit additional evidence of qualifications or any other information FLVS may deem necessary.
- d. FLVS shall not be under any requirement to complete the evaluation or negotiations by any specific date and reserves the right to suspend or postpone the evaluation or negotiation process should the need arise due to budget constraints, time constraints or other factors as directed by FLVS.
- e. The award shall be made to the Proposer that best meets FLVS needs.
- f. FLVS reserves the right to request clarifications at any time throughout the evaluation and negotiation process.
- g. There will be no interim briefing regarding the status of a particular response until the evaluation of all responses is complete.

2.1. Proposal Evaluation Committee (PEC)

Responses shall be reviewed and evaluated (by Lot) by the PEC as described herein.

2.1.2 The PEC committee shall consist of FLVS staff members who are voting members, non-voting subject matter experts (SMEs) and at FLVS's discretion, non FLVS staff. The voting members of the PEC shall convene, review, evaluate and rank all valid responses submitted based on the evaluation criteria. Non-voting member(s) responsibilities include reviewing the proposals, testing in demo environments where applicable, and providing subject matter expertise.

2.1.2 The PEC, at its sole discretion may waive the requirement to have demonstrations or interviews and may determine an award based on the evaluation criteria listed in the Table in Section 2.4.1.

2.1.3 The PEC reserves the right to interview any, all or none of the Proposers that responded to the RFP and to require at the discretion of FLVS formal

presentations with the key personnel who shall administer and be assigned to work on behalf of the contract before recommendation of award.

2.1.4 The PEC reserves the right to conduct site visits of a Proposer's facilities and/or of a current project they are managing.

2.1.5 FLVS reserves the right to request login access to a test environment or other simulation of proposed solution for evaluation purposes.

2.2 Public Notices. FLVS Public notices shall be posted on Bonfire: <https://flvs.bonfirehub.com/> and Florida Virtual School Procurement Opportunities: <https://flvs.net/about/procurement-opportunities/solicitations-open>

2.3 Reply Opening

All submissions will be opened by FLVS Procurement via Zoom Conference as per the cover sheet. The list of responses received shall be made available within 48 hours following the opening as described in 2.2 Public Notices.

2.4 Responsiveness to Submittal Requirements

A preliminary evaluation by FLVS Procurement Services shall determine whether each received response is complete and compliant with the minimum qualifications and all other instructions and/or submittal requirements in the RFP. Section 3.1 Compliance will be reviewed by the Procurement Department and reported to committee during the evaluation session. Any responses that are incomplete or that do not comply with the instructions and /or submittal terms and conditions may be rejected and excluded from further consideration. Responses which are compliant as determined solely by FLVS, are moved to the evaluation stage.

2.5 Proposal Evaluation

2.5.1 Step 1: Evaluation

Proposals will be evaluated and scored (by Lot) by a PEC approved by the Procurement Director. Using the evaluation criteria specified below, the PEC will evaluate and score responsive replies and, at the sole discretion of the PEC, may proceed to oral presentations with one or more respondent(s) selected.

FLVS shall evaluate each written response by Lot based on the evaluation criteria listed in Section 2.6.1, 2.6.2 and 2.6.3 using a 0-10 rating system multiplied by the weights assigned. This meeting shall be open to the public via the zoom link provided on the cover page.

Step 1a: The response evaluation committee members will discuss all contractor responses, and each evaluation committee member will score the responses individually.

Step 1b: Procurement will combine the evaluation scores submitted by all PEC members and shall determine the highest scoring responses based on the total evaluation scores received. FLVS reserves the right to determine the cutoff score and the number of responses that may advance to Step 2. Step 2 is optional at the sole discretion of FLVS. If FLVS determines that Step 2 is not required, award recommendation will be made based on the scores from Step 1.

2.5.2 **Step 2 (optional): Presentation and/or Interview**

Finalists shall be notified by FLVS Procurement to appear in-person or via Zoom meeting at the discretion of FLVS, in no particular order, for a presentation and/or an interview of their response and detailed discussion of the elements of their response. Only the scoring session shall be a public meeting.

- a. Procurement Services will assign the date and venue for the demonstrations and/or oral presentations based upon a random drawing of the responses advanced to Step 2;
- b. The PEC may require the finalists to furnish additional information or respond to questions and/or clarifications prior to or at the oral demonstration/interview;
- c. FLVS may require finalists to provide login or access for testing systems if applicable as directed;
- d. FLVS reserves the right to invite additional subject matter experts from FLVS and/or its representatives to attend oral demonstrations/presentations;
- e. Following the oral demonstrations/oral presentations, FLVS may require finalists to furnish additional information or respond to questions and/or clarifications that might be needed to finalize the PEC scoring. May require additional public meeting(s).
- f. Using the evaluation criteria in Section 2.6.2, each member of the PEC will separately score each respondent's demonstration/oral presentation using a 0-10 rating system multiplied by the weights assigned. The procurement representative will combine the evaluation scores submitted by all PEC members for this step.
- g. The procurement representative use fresh scores when evaluating all shortlisted proposers during the interview/presentations stage of this solicitation.
- h. Procurement Services will post an Intent to Award Notice within approximately two weeks from finalist selection.

2.6 **Evaluation Criteria**

The responsive replies will be evaluated and ranked on a scale of 0-10 using the following criteria multiplied by the weights assigned. We reserve the ability to award to multiple proposers for each lot if it is in FLVS best interest. This meeting shall be open to the public via the zoom link provided on the cover page.

2.6.1 Evaluation Criteria (for all Lots)

These criteria shall be used through the evaluation process as described subsequently:

Criteria No.	Criteria Description	Weight
1.	Qualifications. Background, and References	10%
2.	Case Studies	35%
3.	Ability to meet or exceed Scope of Services	35%
4.	Cost	20%
	TOTAL	100%

The maximum weighted points that can be earned in the evaluation process is 100.

2.6.4 Respondent Presentation/Interview Criteria – Step 2 (Optional)

Criteria No.	Step 2: Main Criteria Description	Weight
1.	Quality of the presentation demonstrating ability to meet or exceed the requirements of the sample exercise	40%
2.	Question and answers session including requested clarifications that demonstrate proposer's ability to meet or exceed RFP requirements	40%
3.	Additional value-added services and/or cost saving strategies	20%
	TOTAL	100%

2.6.5 Sample Interview Exercises

The shortlisted respondents shall complete a work exercise prior to the scheduled interview meeting. During the interview session, the respondent shall demonstrate the steps taken to complete the provided exercise followed by a question and answers session. The results shall factor into scoring criteria 1 (Quality of the presentation demonstrating ability to meet or exceed the requirements of the sample exercise) specified in Section 2.6.4 of the RFP.

2.7 Basis of Award

Recommended award shall be made to the highest ranked Proposer(s) whose response is determined in writing to be the most advantageous, bringing "best value" to meet the criteria of FLVS. FLVS reserves the right to make awards by individual item, group of items, all or none or a combination thereof; to reject any and/or all bids/proposals or to waive any minor irregularities or technicalities. All purchases are contingent upon FLVS funding. Following the selection and upon final negotiation of the contract terms and conditions with the top ranked Respondent, recommendation for contract award will be

submitted to FLVS Board of Trustees (if total value is \$300,000 or more) or Procurement Director approval (if total value is under \$300,000).

The FLVS Executive Team at their sole discretion shall accept or reject all recommendations of the Evaluation Committee. If the Executive Team accepts the Evaluation Committee's recommendation, the process continues as noted in each step above. If the Executive Team rejects any Evaluation Committee's recommendation, the Executive Team at their sole discretion, shall proceed with any of the following methods: directing the Procurement Representative to recommence the selection ranking process at whatever state or step the Executive Team deems appropriate (including step 1, step 2, and/or step 3); pursuing the project by any other alternative method permitted under Florida law; or abandoning the project all together. If the Executive Team elects to pursue the project through an alternative method or abandon the project all together, FLVS shall provide public notice of that decision.

FLVS reserves the right to negotiate price and contract terms and conditions with the most qualified firm(s) to provide the requested service.

Services will be authorized to begin when the Contractor receives a fully executed contract and issuance of a Purchase Order from FLVS. Once awarded, Procurement will provide notice of the award to the Contractor.

4. INSTRUCTIONS TO PROPOSER

- 4.1 To ensure proper and fair evaluation, FLVS has established a **Cone of Silence** applicable to all Competitive Solicitations. The Cone of Silence is designed to protect the integrity of the procurement process by shielding it from undue influences. The Cone of Silence will be imposed upon all Competitive Solicitations (including the RFP) beginning with the advertisement for the same and ending with the approval for award.

Upon the issuance of this RFP, all contact with FLVS must be made through the procurement representative named on the first page. The Proposer must limit communication with the designated contact to the means specified in this document. Other employees and representatives of FLVS and the participating agencies are instructed not to answer questions regarding the RFP or otherwise discuss the contents of the RFP with the Proposer or its representatives. Any contacts made with other employees and representatives of FLVS will be reported and forwarded to Procurement. Proposer shall not, under the penalty of law, offer any gratuities, favors or anything of monetary value to any officer or employee of FLVS in connection with this competitive procurement.

- 4.2 Proposer to this Response or persons acting on their behalf are specifically instructed not to contact Board of Trustees, members, staff, or Committee Members during the course of the Response and Selection process. All procedural matters shall be directed to Procurement. Evaluation Committee members or other School employees shall not be contacted or approached by representatives of any potential Proposer to this RFP. Contact or communication initiated by any responding firm may result in rejection of the Response.

- 4.3 **Public Records.** Upon award recommendation or thirty (30) days after opening, whichever is earlier, any material submitted in response to this RFP will become a public record and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes (Public Records Law). Proposers must claim the applicable exemptions to disclosure provided by law, in their response to the RFP, by identifying materials to be protected and must state the reasons why such exclusion from public disclosure is necessary and legal. FLVS reserves the right to make any final determination of the applicability of the Public Records Law.

4.3.1 Redacted Submissions

If Proposer considers any portion of the documents, data or records submitted in response to this solicitation to be confidential, proprietary, trade secret or otherwise not subject to disclosure pursuant to Chapter 119, Florida Statutes, the Florida Constitution or other authority, Proposer shall mark the document as "Confidential" and simultaneously provide a separate redacted copy of its response and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. titled "Redacted Copy." The Redacted Copy should only redact those portions of material that the Proposer claims is confidential, proprietary, trade secret or otherwise not subject to disclosure.

In the event of a request for public records pursuant to Chapter 119, Florida Statutes, the Florida Constitution, or other authority, to which documents that are marked as confidential are responsive, FLVS shall provide the Redacted Copy to the requestor. If a requestor asserts a right to the Confidential Information, the Department shall notify the Proposer such an assertion has been made. It is the Proposer's responsibility to assert that the information in question is exempt from disclosure under Chapter 119, Florida Statutes, or other applicable law. If FLVS becomes subject to a demand for discovery or disclosure of the Confidential Information of the Proposer in a legal proceeding, FLVS shall give the Proposer prompt notice of the demand prior to releasing the information (unless otherwise prohibited by applicable law). The Proposer shall be responsible for defending its determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure.

By submitting a bid, the Proposer agrees to protect, defend, and indemnify FLVS for any and all claims arising from or relating to the Proposer's determination that the redacted portions of its reply are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If Proposer fails to submit a redacted copy of information it claims is confidential, FLVS is authorized to produce the entire documents, data, or records submitted in answer to a public records request for these records.

- 4.4 **Posting of Public Notices:** All public notices will be posted for review by interested parties on <https://flvs.bonfirehub.com> and <https://flvs.net/about/procurement-opportunities/solicitations-open>. Notices will remain posted for a period of 72 hours. All questions must be in writing and submitted through Bonfire.

- 4.6 Any corrections or amendments will be posted as addenda issued no later than five (5) days prior to the response due date.
