Description: Rosetta Stone® Foundations for K-12 is a scalable e-learning solution designed for beginner to intermediate students in up to 24 languages to build fundamental language skills. Teachers trust our award-winning online program, Rosetta Stone Foundations, to help students develop language skills, to get learners speaking immediately, and to accelerate the drive toward speaking confidence. Learner success is rooted in Foundations’ world language immersion environment, carefully sequenced activities, and gamification that makes learning fun while delivering results.

The description of products or services intended for purchase from a single/sole source is posted in accordance with Florida Administrative Rule 6A-1.012(12)(d) and will remain posted for a period of seven (7) business days. If you believe you have a “like” product or service to offer, submit descriptive literature and detailed technical specifications via mail or email to the attention of the buyer listed above no later than the Posting End Date/Time noted above. Descriptive literature and detailed technical specifications received after this date/time will not be considered.
