

Looking to *intern* with FLVS?

Please follow this step-by-step guide to help you reach your goal of interning with FLVS.

Are you enrolled in an educator degree program which requires an instructional internship for graduation or an EPI (Education Preparedness Institution) program?

yes

Yes, I am enrolled in an educator program.

Is your school one of the following?

- Ave Maria University
- Barry University
- Bethune Cookman
- Capella University
- Daytona State College
- Flagler College
- Florida State Jacksonville
- Pasco Hernando College
- Polk State College
- Saint Leo University
- Santa Fe College
- Seminole State
- University of Central Florida
- University of West Florida
- Valencia College
- Walden University
- Warner University
- Western Governor's University
- UAGM
- University of Grand Canyon

Yes, I attend one of the above schools.

Great! Please contact us about our Level I, Level II, Graduate level, or Education Preparation Institution (State of Florida) programs, at teaminternshipprogram@flvs.net. Let us know what school you are currently enrolled in and tell us if you are a junior or a senior.

No, I do not attend one of the above schools.

If your school is not on the list, prospective interns should have their school's Clinical Experiences Director contact FLVS at teaminternshipprogram@flvs.net. Once contacted, FLVS will set up a meeting to establish a partnership by signing an articulation agreement.

Contact us about our Level I, Level II, Graduate level, or Education Preparation Institution (State of Florida) programs.
