

Greetings,

As outlined by the Florida Department of Education (FLDOE), scholarship recipients utilizing Florida Virtual School as an educational opportunity will be considered a private-pay student. Please visit <http://www.fldoe.org/schools/school-choice/k-12-scholarship-programs/sfo/> for more information.

Price

\$267 per half-credit enrollment

\$534 per full-credit course (payment is billable in two enrollments)

**Please note that the enrollment and invoicing process has changed.**

Starting July 1, 2017, FLVS will require invoice approval prior to your student being cleared for placement in his or her requested course(s).

Invoice Approval

Within three business days of your student's course request, FLVS will submit an invoice to your Gardiner Scholarship account. Once the invoice is posted, you will receive an email notification to the email address associated with your student's Gardiner Scholarship account. Please review and approve the invoice or contact FLVS to make other payment arrangements within seven business days. Failure to approve the invoice or provide FLVS with another form of payment within seven business days will result in the course request being dropped.

Course Placement

Upon notification from your Gardiner Scholarship provider that the invoice was approved or upon receipt of direct payment, FLVS will approve the course request and move it forward to the enrollment department for placement. FLVS will place students as close to their preferred start date as possible.

Refund Policy

Following placement and activation in a course, the student has a 14-day grace period during which he or she may withdraw from the course and receive a full refund. The refund will be issued to the entity or individual from which payment was received for the enrollment.
