

## Caregiver Authorization Form

This form is intended to address the McKinney-Vento Homeless Assistance Act (MVA; P.L. 107-110) requirement that homeless children and youth have access to education and other services for which they are eligible. The Act states specifically that barriers to enrollment must be removed. In some cases, a child or youth who is homeless may not be able to reside with his/her parent or guardian; however, this fact does not nullify the child's/youth's right to receive a free, appropriate public education under the provisions of the MVA. **This form is to be used for school purposes only and is not legally binding.**

**Instructions:** Complete this form for the homeless child or youth who is not in the physical custody of a parent or legal guardian.
