

Dispute of Eligibility, School Selection, or Enrollment Under the McKinney-Vento Homeless Assistance Act

This form is for use to initiate the dispute resolution process required by the McKinney-Vento Homeless Assistance Act when the parent, guardian, or unaccompanied youth disagrees with the District's eligibility, school selection, or enrollment decision. District policy requires the parent, guardian, or unaccompanied youth to use the dispute resolution process. Filling out this form is the first step in that process.

To file a formal dispute under the McKinney-Vento Homeless Assistance Act ("Act"), please fill out this form completely and submit it by email to the principal or the District's liaison for homeless students. District policy typically requires dispute forms to be filed within 15 District business days of receiving the written explanation of the District's decision. However, because the Act's dispute process should be expedited whenever possible, Florida Department of Education and Florida Virtual School recommends that you submit the form as soon as possible, preferably within 10 District business days of receiving the written explanation of the District's decision. If a dispute arises over school selection or enrollment in a school, the child shall be immediately admitted to the school in which enrollment is sought, pending resolution of the dispute. The student will remain attending the school where enrollment is sought during the entire dispute resolution process.

If you need assistance filling out this form or if you have other questions, please contact the school based liaisons for homeless students.
