Our Mission is to deliver a high quality, technology-based education that provides the skills and knowledge students need for success in the 21st century.

POSITION GENERAL SUMMARY:
The Instructional Program Manager manages the projects and pilots within the Instructional Department and supervises the support roles within the programs/pilots, completing program/pilot evaluations and liaising with other departments, as needed. The Instructional Program Manager manages instructional policy documentation and supervises student programming personnel, as needed. The Instructional Program Manager also oversees all instructional research, working with internal and external stakeholders to determine research needs, and manages all parts of each project’s research process—including research design, data security, legal compliance, contract development, data collection, data analysis, and results publication.

ESSENTIAL POSITION FUNCTIONS:
• Manage the programs, projects and pilot programs for the instructional team
• Serve as liaison between instructional team and curriculum services and professional learning departments
• Assist in the strategic planning for the instructional team
• May provide supervision of seasonal/part-time grading staff members
• Evaluate programs and pilots for instructional team
• Write, edit, and manage ongoing Instructional policy documentation
• Serve as point of contact for all research inquiries as well as work with internal stakeholders to determine research needs.
• Ensure data security and data collection/research methods are in compliance with all applicable legal requirements for the duration of each project
• For all approved research projects, develop and implement plans for data collection and analysis of results; working in coordination with Instructional Leadership, IT, Finance, Legal and Communications departments as well as external stakeholders
• Provide general leadership, guidance, and support to relative team members in order to collaborate, give feedback, develop plans, and reach team and individual goals
• Meet professional obligations through efficient work habits such as, meeting deadlines, honoring schedules, coordinating resources and meetings in an effective and timely manner, and demonstrate respect for others
• All work responsibilities are subject to having performance goals and/or targets established

(These essential functions are not to be construed as a complete statement of all duties performed. Employees will be required to perform other job related duties as required.)
