Our Mission is to deliver a high quality, technology-based education that provides the skills and knowledge students need for success.

**Position General Summary:**
The Lead Instructor, Brazil Project, provides an educational atmosphere where students have the opportunity to fulfill their potential for intellectual, emotional, physical, and psychological growth. In conjunction with providing an instructional program that results in students achieving academic success in accordance with FLVS and state policies and laws, the Lead Instructor, Brazil Project also assists other teachers and program supervisors to ensure success in the program.

**Essential Position Functions:**
- Support student instructional needs when assigned teachers are not available or unable to communicate in the native language of the family
- Identify training and performance gaps and provide supplemental support to teachers and tutors in the Brazil project, escalating ongoing issues to Program Supervisor
- Perform welcome calls as needed for Brazilian families and students, in conjunction with the students’ content teachers as needed
- Advise and support Brazilian students to enhance student’s acclimatization
- Provide Brazilian students and families with personalized contact on a regular basis to maximize student success
- Provide native language support when necessary for teachers who have students within the Brazil Project
- Develop, create, and teach live lessons as needed in both English and Portuguese
- Plan, prepare, and implement instructional activities that contribute to a climate where students are actively engaged in meaningful learning experiences
- Identify, select, create and modify instructional resources to meet the needs of the students with varying backgrounds, learning styles, special needs, including ELL status
- Assist in assessing changing curricular needs and offers plans for improvement
- Maintain effective and efficient record keeping procedures
- Communicate effectively, both verbally and in writing, with students, parents, and other professionals on a regular basis
- Collaborate with peers to enhance the instructional environment for students
- Model professional and ethical standards when dealing with students, parents, peers and community
- Ensure that student growth and achievement is continuous and appropriate for age group, subject area, and/or program classification
- Assume responsibility for meeting course and school-wide student performance goals
- Responsible for instructional tutoring as needed
• Meet professional obligations through efficient work habits such as: meeting deadlines, honoring schedules, coordinating resources and meetings in an effective and timely manner, and demonstrates respect for others
• All work responsibilities are subject to having performance goals and/or targets established

(These essential functions are not to be construed as a complete statement of all duties performed. Employees will be required to perform other job related duties as required.)
