

Steps to Enroll: Kindergarten–12th Grade

STEP
1

Visit flvs.net/enrollft to begin the online enrollment application. Be sure to upload all required documents (proof of age, proof of residency, proof of immunization, academic records, etc.) and click submit when finished.

Please note: The application must be fully submitted before the review process can begin.

STEP
2

Monitor the email associated with the application. All status updates and document resubmission requests will be communicated via email.

We will verify the application and documents and email you if anything is missing or needs to be resubmitted.

School counselors will then review your child's academic history and finalize grade level and course placement for students in grades 1-12.

STEP
3

Create your parent portal.

We will send you an email to confirm enrollment. Confirm your child's tentative schedule (pending course availability) and intent to attend FLVS Full Time.

Once you confirm, your child will be enrolled.

STEP
4

We will assign your child's courses and teachers.

A teacher will reach out to help your child get started in the days leading up to the first day of the semester.

As a public school, we are required to collect the following forms and documents during the enrollment process. **We encourage you to submit the application early as enrollment may take several weeks to complete.**

Proof of Age

Provide a copy of the student's official birth certificate. *For a foreign birth certificate, a translated copy must be provided.*

Proof of Residency (2 forms required)

Students must have valid proof of Florida residency to be eligible for enrollment. Families living outside the state of Florida due to military service must provide a statement of earnings indicating Florida as their state of legal residence and the orders that moved the family out of state.

Submit a copy of the following documents, one from Group A and one from Group B. *Please note: The name on both documents and the name of the parent/legal guardian enrolling the student must match.*

Group A (Please submit one):

- Utility bill showing service address and dated within the last 60 days. Acceptable bills include electric, gas, water, sewer, or home phone.
- Mortgage statement
- Lease agreement or rent receipt with name and address of lessee included
- Home purchase contract (with closing date) and copy of deed, to be provided within 60 days of closing date
- Property tax statement

Group B (Please submit one):

*Acceptable custody forms include court or state/federal agency documents; power of attorney and notarized documents are not accepted.

Technology Specifications

What Technology Do I Need?

Since FLVS Full Time is an online school, it is important for your child to have a Windows or Mac computer designated for learning and a reliable Internet connection. Visit flvs.net/student-resources/system-requirements to view the computer requirements. We recommend using the Google Chrome browser to ensure peak performance of our online system.

FLVS Full Time does not provide computer repair or maintenance. Once your child is enrolled, you can contact tech support via phone or email during regular business hours if you experience any technical issues.

Make sure to avoid technical difficulties by testing your child's computer and Internet connection before beginning the school year.

You'll also want to keep a working phone close by so you and your child can easily contact a teacher when needed. Communication is essential for your child's success!
