AP United States Government / AP Macroeconomics
Equally Rigorous Science Honors or AP
Elective (1.0 credit) Level 3 World Language recommended
Elective (1.0 credit)

If high school credits were earned while in middle school, the student may be ahead of the above sample high school track. Please speak with your counselor for further advising and an individualized academic plan.

Students earning Alg 1A and Alg 1B credits for high school should understand it will count as 0.5 credit for SUS admissions and Bright Futures.

Although world language credits are not required for graduation, 2 credits in the same world language are needed for Bright Futures and State University System (SUS) admission. These 2 credits can be incorporated into the 18 credit ACCEL option as 2 out of the three elective credits needed.
