AP U.S. Government and Politics / AP Macroeconomics
World Language (Level 3)*
Elective (1.0 credit)

If high school credits were earned while in middle school, the student may be ahead of the above sample high school track. Please speak with your counselor for further advising and an individualized academic plan.

Students will be exposed to character education requirements through career and college planning tools. Students may also meet the Character Education requirement by taking either Career Research and Decision Making or Digital Information Technology.

*Although world language credits are not required for graduation, 2 years of a consecutive world language are needed for Bright Futures, State University System (SUS) admission and Scholar Diploma.
