APRIL 2024

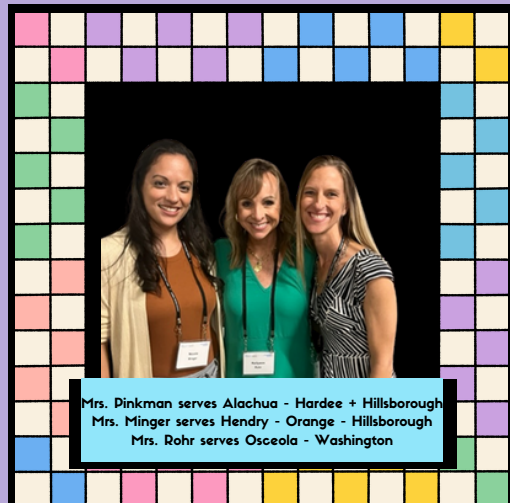

This Month's Character Theme: Perseverance

Quite simply put perseverance means if you fall down 7 times you stand up 8! Basically it's the ability to keep going, keep trying, and not giving up. We CAN do hard things and usually it starts with the messages we tell ourselves.

Planning for Next Year?

If you are planning to stay in home education for next school year we are thrilled you have made that decision! Keep in mind that you will need to add your own courses with your preferred start date. The fiscal start of our school year is July 1 and you'll notice that everyone's grade level gets bumped by one on that date.

If you decide to return to a brick-and-mortar school let us know! Your school counselor can help with that transition, it's much easier than you think!
