MARCH 2024

This Month's Character
Theme: Self Awareness

Self-awareness is the ability to accurately recognize how your emotions impact your behavior. This leads to an understanding of your strengths and limitations as well as confidence and a growth mindset.

Annual Evaluation?

Home Education program students are required to submit an annual evaluation to their district office yearly. The annual evaluation is due on the anniversary of having registered. Submitting the evaluation is the responsibility of the home educator. The annual evaluation is NOT used to determine grade level progression but it is used to allow a student to continue in home education. Please contact your district's home ed office directly to find out what is required or contact your FLVS Flex School Counselor!
