Description: Essential skills workbooks are educational resources that help students develop and practice foundational skills in areas like reading, math, and writing. They typically contain exercises, activities, and assessments designed to reinforce concepts and support student learning. Workbooks provide structured exercises and practice problems to help students solidify their understanding of key concepts. They offer opportunities for students to practice and improve specific skills like reading comprehension, math problem-solving, or writing fluency. Workbooks often include assessments, such as quizzes or tests, to help teachers gauge students' understanding and identify areas where they may need additional support.

The description of products or services intended for purchase from a single/sole source is posted in accordance with Florida Administrative Rule 6A-1.012(12)(d) and will remain posted for a period of seven (7) business days. If you believe you have a "like" product or service to offer, submit descriptive literature and detailed technical specifications via mail or email to the attention of the buyer listed above no later than the Posting End Date/Time noted above. Descriptive literature and detailed technical specifications received after this date/time will not be considered.
