The FLVS Research Committee will assess each research proposal using the following rubric:

Area	Rating (Select from dropdown)	Comments
IRB approval is complete and provided. (YES is required for Committee Review.) The financial costs (including human resources) to FLVS are minimal. (Provide comments if the answer is No) FLVS is able to provide the data requested. (Provide comments if the answer is No)		
5-Strongly Agree 4-Agree 3-Neutral 2-Disagree 1-Strongly Disagree		
The overall purpose of the study is clear. The intended audience is identified. The timeline of the project is clear and feasible. The research questions are relevant and clear, in general and as they are associated with FLVS. Issues of confidentiality are sufficiently addressed, providing specific information about how data will be secured. The literature review and/or dissertation prospectus demonstrates a need for the research to be conducted using FLVS student/employee data. The survey/interview questions were included, support the research, and indicate a clear relationship with FLVS. (Enter N/A if the study does not include survey/interview methods). The perceived benefits from the research to FLVS are clear and appreciable.
