

25+ Years Leading Online Education

We support student success in grades Kindergarten–12. Accredited by Cognia, we serve public, private, charter, and homeschool families and school districts nationwide.

Fulfill Graduation Requirements

Courses like Health Opportunities through Physical Education (HOPE) or Personal Finance and Money Management can contribute toward graduation requirements.

Explore Interesting Electives

We offer a wide variety of electives to explore, from Driver Education to Agriscience Foundations 1.

Kickstart Your Career

Career and Technical Education (CTE) allows students to explore potential career paths in exciting fields while earning industry and technical certifications.

Get Ahead with AP® Courses

Boost your GPA and stand out on college applications with Advanced Placement® courses that are college level and approved by the College Board.*
