

# Supporting Student Success in Grades Kindergarten–12

Accredited by Cognia, we serve public, private, charter, and homeschool families and school districts nationwide.

### Fulfill Graduation Requirements

Courses in areas like Physical Education or Financial Literacy can contribute toward graduation requirements.

### Discover Engaging Electives

Our 200+ courses include a wide variety of electives that allow students to thrive while learning new skills, from Driver Education to Liberal Arts.

### Career & Technical Education

Students can kickstart their future in STEM while earning industry and technical certifications.

### Get Ahead with AP® Courses

Boost your GPA and stand out on college applications with Advanced Placement® courses that are college level and approved by the College Board.\*
