

2025-2026 School Year

Dear Florida Virtual School Parent/Guardian,

The Florida Civic Literacy Exam (FCLE) is administered to students who are currently enrolled in one of the courses listed below per s. [1003.4282\(3\)\(d\), F.S.](#), which states: *Students taking the United States Government course are required to take the assessment of civic literacy.*

- 2106310 – United States Government
- 2106320 – United States Government Honors
- 2106420 – Advanced Placement (AP) United States Government and Politics

Public school students enrolled in grades 6-12 and currently taking one of these courses are required to participate in the FCLE. This is not a graduation requirement, but instead an opportunity to meet the postsecondary civic literacy requirement as outlined in s. [1007.25\(5\)\(b\), F.S.](#), which states: *Beginning with students initially entering a Florida College System institution or state university in the 2021-2022 school year and thereafter, each student must demonstrate competency in civic literacy by achieving a passing score on an assessment and by successfully completing a civic literacy course. For those students who pass the FCLE, they will be exempt from this requirement during their postsecondary career.*

There are two administration dates for the FCLE during the 2025-2026 assessment period:

- **Fall**-November 3-December 19, 2025
 - Your zoned school district selects the exact testing dates within the testing window.
- **Spring**-March 30-May 29, 2026
 - Your zoned school district selects the exact testing dates within the testing window.

[Click here to view the statewide assessment schedule on the Florida Department of Education's \(FDOE\) website.](#)

The FCLE will consist of one 160-minute session, with a break half-way through. Students may leave at the 80-minute mark or continue working up to half a typical school day. The test will include approximately 80 multiple-choice questions.

Accommodations will be provided for students with documented IEP or 504 Plans.
