

Florida Virtual Elementary School
Parents' Right-to-Know Schoolwide Plan Notification
August 18th, 2025

Dear Parent or Guardian:

Each year Florida Virtual Elementary School must create a plan to support student academic achievement. The 2025-2025 School Improvement Plan/Schoolwide plan is located on the [FVES Family Resource Center](#) site. This document will be available once approved by the board.

The plan includes information on how the school will work to:

- ✓ Improve student academic performance in reading, writing, mathematics, and science.
- ✓ Support parents in helping their child.
- ✓ Provide quality instruction taught by highly qualified educators.
- ✓ Identify data trends from state assessments of previous years and close achievement gaps.

If you would like to make comments regarding the plan or request a hard copy, you may contact Ryan Foster, principal, at rfoster@flvs.net

Sincerely,
